

Command 6: Assemble

John 13.34-35

First Third - Look Back:

1. Member Care.
2. Worship and Prayer.
3. Loving Accountability. Go around the room and ask everyone if they met in an Accountability Team (A-Team).
4. Vision Casting. Review **Jesus-Up-In-Out** - Review your group/church multiplication strategy.

The DNA for Kingdom Living

Second Third - Look Up:

5. New Lesson. Tell and/or read the story of the first church formation from Acts 2.41-47.

Head: *Summary and Facts* (What do the new disciples commit to in fellowship?)

Heart: *Emotions* (How did these people feel as they began to live in community? How does the story make you feel?)

Hands: *Response* (Does Jesus believe your group is a church? Will you and your group commit to being a church?)

Final Third - Look Ahead:

6. Practice.
 - A. Practice the Lord's Supper from Luke 22.19-20. Offer each other some bread as His body and some juice as His blood. Pray and thank God for Jesus Christ.
 - B. Commit to begin giving regularly to [your] those in need and to your spiritual leaders. This should be a consistent monthly gift to those in need and to the person or church that is helping you grow spiritually.
 - C. Commit to take up a one-time offering next week. Decide who your church wants to bless this month. Next week, take up an offering for the mission, church, group, or person you want to bless.

7. Goal Setting and Prayer.

UP: Pray daily with your prayer list, read 20 chapters and memorize one new verse weekly.

IN: Meet with your A-Team and your group/church weekly for fellowship and training.

OUT: Share your testimony and the gospel five times weekly, seek to multiply your A-Team, and start your own church as soon as possible.
